PROFESSIONAL SUMMARY

Senior Systems Engineer with over **3 years** of experience in software development, specializing in **AWS, Python, Java, Spring Boot, and SQL**. Experienced in designing scalable solutions to improve operations, reduce costs, and meet client requirements. Extensive background in **cloud migrations, full-stack development**, and implementing **open-source frameworks** to deliver business-critical systems. Works effectively in cross-functional teams to achieve project goals and ensure high-quality outcomes.

TECHNICAL SKILLS

- **Programming Languages:** Python, Java, JavaScript
- **Frameworks/Libraries:** Spring Boot, Flask, React, Node.js
- **Cloud Platforms:** AWS (S3, Lambda, RDS, SQS, SNS, CloudFormation)
- **Databases:** MySQL, Oracle, SQL Server
- **Tools:** Git, Jenkins, Docker, REST APIs

WORK EXPERIENCE

Senior Systems Engineer (SSE)
Infosys Limited

Dec 2021 – Present
Pune, India

- Spearheaded AWS migration projects, transitioning on-premises systems to the cloud, leading to a **20% improvement in operational efficiency**.
- Designed and implemented cloud-native architectures using AWS services, reducing hosting costs by 15% while improving scalability.
- Enhanced data aggregation processes using Python and **AWS Lambda**, ensuring accurate and timely updates for client-specific applications.
- Developed end-to-end applications in **Python** and **Spring Boot**, ensuring high performance and reliability for client-facing platforms.
- Automated key business processes using **Python** scripts and Unix systems, cutting manual workloads by 30%.
- Improved data integration processes by developing robust transformation pipelines, enabling seamless interoperability with proprietary tools.
- Resolved production issues swiftly, **decreasing system downtime** by 25% and ensuring adherence to SLAs.
- **Mentored junior developers**, fostering technical growth and encouraging knowledge sharing within the team.
- Collaborated with cross-functional teams to design reusable components, streamlining development efforts and reducing redundancy.

EDUCATION

Savitribai Phule Pune University
Master of Business Administration

Pune, India
Graduation Date: October 2023

Savitribai Phule Pune University
Bachelor of Engineering

Pune, India
Graduation Date: May 2021
